

Mike & Connie Moscati

"We're both in excellent health!"

Needed to lose weight fast:

Connie Moscati was a size 20 with a size 11 wedding dress that she was planning to wear in three months. She needed to lose weight fast, but she also wanted to keep it off. In addition, she had been in poor health for the past few years, and she suspected her weight to be a contributing factor.

Started feeling better immediately:

"I had been introduced to Herbalife several years ago, and I knew the products were good. So when I saw an Herbalife sign in front of a neighbor's house, I thought it could be my ticket to weight loss," Connie recalls. "And when I started feeling more energetic, my fiancé—now my husband—Mike, wanted to try Herbalife's Thermojetics® Weight-Management Program too."

Lost 67 pounds in six months:

"I lost 30 pounds in three months and fit into my wedding dress perfectly! By the end of six months, I lost 67 pounds and went from a size 20 dress to a size 6, and I've kept it off for almost two years!" exudes Connie. "Mike lost 40 pounds in just two months and went from a size 40 pants to a size 34, and has kept the weight off as well."*

Connie before: 198 pounds.
Mike before: 238 pounds.

Mike after: 198 pounds.

Connie after: 131 pounds.

*Your results may vary. Your weight loss will depend on your own body's metabolic response.
