

Skin Activator[®] Lip Refiner SPF 15

AN AGE-DEFYING, MOISTURIZING AND PLUMPING CREAM FOR HEALTHY LIPS.

This exclusive cream is gentle enough to use throughout the day, yet strong enough to block damaging ultraviolet rays from harming delicate lips. Without a protective outer layer, the lips are especially prone to drying, cracking and developing wrinkles. Peppermint soothes and collagen-building glucosamine minimizes fine lines while protecting skin from environmental stressors. Experience immediate hydration with this moisturizing cream. Reveal more healthy, youthful-looking lips with Skin Activator[®] Lip Refiner SPF 15.
