

fast facts

PRODUCT NAME:

Body Buffing Lotion

DESCRIPTION:

Body Buffing Lotion cleanses and is specifically designed to soften and smooth skin. It helps accelerate skin's natural process of exfoliation. Removal of old skin allows fresh, smooth skin to emerge. Softer, smoother skin makes the application of Body Contouring Creme easier and more even.

Clean, Fresh Fragrance

USER:

All skin types.

USAGE:

Step 1: Apply Dermajetics Body Buffing Lotion with a gentle rubbing action until your skin feels clean and smooth. You may use a washcloth, loofah or similar bath and shower accessory. Rinse off.

Step 2: Apply Body Contouring Creme with your fingertips on any problem areas with gentle upward strokes. We recommend application in the morning and again at night.

CROSS-SELL:

Body Contouring Creme and Body Buffing Lotion can be used in conjunction with any of the other Dermajetics skin care and body care products. And to enhance the effects even more, include Cell-U-Loss® on a daily basis.
