

Thermojetics® Green and Beige Herbal Tablets

The revolutionary nutritional supplements that ushered in a new era for dieters!

In 1992, America was introduced to a whole new approach to dieting. That was when Herbalife launched the original versions of the revolutionary Thermojetics® Green and Beige tablets. Suddenly, for countless thousands, dieting didn't seem so hard any longer. When provided with the amazing energetic lift made possible by Thermojetics® Green and Beige, dieters realized that Herbalife's weight-management products enabled them to take control over their food intake as never before.

Scroll forward several years, and "Thermo" Green and Beige are still helping people to break out of their plateau-stalled dietary limbo to achieve the weight-loss results they desire. What's more, Green and Beige make it possible for to keep that weight off indefinitely. For millions satisfied customers, Thermojetics® Green and Beige have been their ticket away from the dietary roller coaster of constant weight loss and weight gain.

That's because Thermojetics® Beige and Green tablets work synergistically with each other to give you an empowering feeling of control. Formulated from a select blend of 21 botanicals, Thermojetics® Green and Beige are designed to be taken together for best results. When taken twice a day, these still-revolutionary supplements provide an unmistakable lift while helping you receive maximum nutrition from your food.

Anyone considering an Herbalife-based weight-management program will find Thermojetics® Green and Beige indispensable.

Discussion Points

- **For best results, take Thermojetics® Green and Beige with other Herbalife weight-management and nutritional products:** The Thermojetics® Weight-Management Program was conceived as a synergistic system. When combined with a low-calorie, well-balanced diet, the Thermojetics® program will enable you to achieve real weight-loss results that last. All the while, you'll be able to go about your life with plenty of energy and free of hunger or starvation.
- **Thermojetics® Green and Beige contain no preservatives or animal products:** This feature makes these products perfect for vegetarians and other health- and environmentally conscious customers.
- **Customers say that Thermojetics® Green and Beige make dieting "easy":** Many an Herbalife Distributor has heard this one before—dieting customers who've struggled with the "yo-yo effect" or who have reached a plateau and cannot seem to lose more poundage report that "Thermo" Green and Beige helped them break their weight-loss deadlock.
