

Thermojetics® Fruity Herbal Concentrate

A refreshing and exhilarating herbal beverage for good health.

For centuries, people have enjoyed the goodness of a hot or cold cup of flavorful tea. One of the world's most popular beverages, tea can soothe, refresh, stimulate, calm, enlighten, promote happiness and even promote health, depending upon which tea you are consuming. Tea can also help you reach your weight-loss goals. And there's one tea that does just that in an extremely effective manner. Combining ancient herbal wisdom with modern-day ingenuity, Herbalife has carefully formulated Thermojetics® Fruity Herbal Concentrate. Available in three fruit-bursting flavors—Lemon, Peach, Raspberry—this delicious-tasting tea is an ideal between-meal treat that energizes and satisfies. Its naturally sweet flavor will calm your cravings so you don't turn to calorie-rich snacks that can throw your weight-loss plans off track. Thermojetics® Fruity Herbal Concentrate isn't just for dieters. It's for anyone who wants to indulge their tastebuds in a refreshing beverage that's good for the body and soul!

Did You Know?

Green tea is one of the most ancient and, next to water, the most widely consumed beverages in the world. This humble drink has been highly valued for centuries because of its health-enhancing benefits. It is also rich in antioxidant properties, which can help protect the body from the harmful effects of free radicals. Thermojetics® Fruity Herbal Concentrate contains superior-quality green tea, so you can be sure you are getting the best in every sip.
