

Ocular Defense Formula

Dietary supplement for healthy eyes.

In today's health-conscious environment, taking care of the body has become a top priority. Many people, however, focus on reshaping their physiques and fine-tuning their muscles, often neglecting other parts of their bodies that need attention, too. One part of the body that frequently gets overlooked is the eyes.

According to the National Institutes of Health (NIH), the most feared disability is blindness. In the U.S. alone, four million people are at risk of becoming blind from age-related macular degeneration (AMD), a disease that results in the deterioration of the retina. Age-related cataracts, a clouding of the lens of the eye, cost the world billions of dollars annually and strike approximately 50 percent of people age 50 and older in developed countries. Poorly controlled high blood pressure, heart disease and diabetes impair the vision and blind millions of others.

Support the health of your eyes—naturally. With daily use of Herbalife's Ocular Defense Formula, you can focus in on keeping your eyes in good condition.* This unique herbal complex is designed specifically to provide the optimum nutrition your eyes need to maintain proper functioning.*

Discussion Points

- **Seeing is believing:** Numerous scientific studies have shown that the herb, Bilberry, can have a positive effect on visual acuity, as well as helping to improve the overall health of one's eyes. Ocular Defense Formula is Bilberry rich and can help support the fitness of your eyes when taken on a daily basis.*
- **The benefits go beyond your sight:** Because Ocular Defense Formula is formulated with a blend of powerhouse antioxidant herbs, it may also help prevent damage from free radical substances, chemicals, drugs and harmful toxins in the environment.* Bilberry also contains minerals such as manganese, phosphorus, iron, zinc, magnesium and selenium, and is completely non-toxic and safe.
- **Combine with other products:** Ocular Defense Formula can be used in conjunction with the Thermojetics® Weight-Management Program and Herbalife's entire line of nutritional products.

Did You Know?

During World War II British Royal Air Force pilots ate Bilberry jam to help improve vision for night missions.

Fast Facts

- Contains potent antioxidants that are believed to help protect the eyes from the harmful effects of free radicals.*
- Includes the antioxidant-rich herb, Bilberry, which is highly beneficial for eyes.*
