

Soft-Gel  
Capsules for  
Improved  
Absorption!

# Support the health of your prostate with **new** improved Ultimate Prostate Formula

Now there's an even better way to support good prostate health with our new, scientifically advanced Ultimate Prostate Formula. Clinical trials suggest that saw palmetto can help promote healthy prostate function.\* Scientific advancements have led us to substantially improve our original prostate formula. We've increased the amount of saw palmetto, lycopene and pumpkin seed oil. The result is a powerhouse product that can help promote stronger urinary flow, encourage healthy prostate function and protect the prostate from free-radical damage.\* Don't leave prostate health to chance. Protect yourself with the best nature and science have to offer—Ultimate Prostate Formula.

- Provides 180 mg of high-quality standardized saw palmetto.
- Contains a proprietary blend of active plant extracts, antioxidants, vitamins and minerals.
- Includes five times as much lycopene and pumpkin seed oil as the original formula to help support healthy prostate function.
- Contains twice the free fatty acids of our original tablets to help improve urinary function.
- Designed with a soft-gel capsule for more rapid and complete absorption of ingredients.

## Support your prostate health with Ultimate Prostate Formula

One of the most important health precautions any man over 40 can take is to support the health of his prostate gland with nutritional supplementation. Statistics show that about half of all men between the ages of 40 and 60 develop an enlarged prostate with its accompanying impairment of urinary and sexual functions.

Fortunately there is a natural and effective way to support healthy prostate function.\* Introducing new and improved Ultimate Prostate Formula—a proprietary blend of active plant extracts and essential nutrients. This advanced formula includes saw palmetto, lycopene and pumpkin seed oil, which collectively promote healthy prostate activity.\*

### Discussion Points

- Only the best: High-quality saw palmetto was used in over a dozen successful clinical trials on prostate health.\*
- Hormone regulation: Saw palmetto extract has been shown to promote prostate health.\*
- Tomato protection: Lycopene is a natural antioxidant found in the pigment of tomatoes that may prevent cellular DNA damage.\*
- Pumpkin power: Pumpkin seed oil has been used traditionally to promote and support healthy prostate activity.\*
- Combine with other products: Ultimate Prostate Formula can be used in conjunction with the Thermojetics® Weight-Management Program and Herbalife's entire line of nutritional products including Male Factor 1000®, Optimum Performance™, Herbalifeline® and Ultimate Ginkgo.

### Did You Know?

- Saw palmetto is indigenous to the southeastern United States and can be found growing throughout Florida. Humans have eaten the fruit of the plant for centuries and its benefits are described in scientific literature dating back to the early 1800s.

### Fast Facts

- This new formula contains a proprietary blend of active plant extracts, antioxidants, vitamins and minerals available only from Herbalife.
- Saw palmetto helps support prostate health, improves urinary function and enhances potency.\*
- Rich in phytonutrient lycopene, vitamin E and selenium, antioxidants that help protect the prostate from free-radical damage.\*
- New soft-gel capsules are designed for more effective absorption.
